ComfortZone[™]

Dual Hardness Head Restraints

ComfortZone[™] dual hardness head restraint solutions significantly improve comfort and reduce cost, by eliminating topper components and secondary processing.

ComfortZone[™] technology offers a targeted, comfort zone, in the center portion of the head restraint, combined with a firm perimeter foam, to provide a crisp finished trim appearance.

ComfortZone[™] is another
GreenLite Innovation

GreenLite[™]

Low Mass Environmental Automotive Technologies

GreenLite Innovations by The Woodbridge Group include a growing menu of high performance, low mass automotive foam solutions, to help improve fuel efficiency and reduce CO₂ emissions.
