TrimSTYLE™

Extreme Styling for Foam-In-Place Trim

TrimStyle™ foam-in-place capabilities address the challenges of components with complex geometries and tight dimensional tolerances.

This advanced foam process provides solutions for: deep draw contours, vertical walls, sharp corners and edges, concave, convex and undercut shapes, foam-in-place over large inserts, foam injection without venting and no twist trim.

TrimStyle™ products deliver enhanced levels of comfort, fit and finish, and a noticeable feeling of quality touch points for today's high functionality, interior trim components.

TrimStyle™ is another
GreenLite Innovation

GreenLite™

Low Mass Environmental Automotive Technologies

GreenLite Innovations by The Woodbridge Group include a growing menu of high performance, low mass automotive foam solutions, to help improve fuel efficiency and reduce CO₂ emissions.

More, Better, Faster™
