## ComforTech<sup>™</sup>

*Performance Seating Urethanes*

**ComforTech<sup>™</sup>** performance seating urethanes, offer automotive seat manufacturers cost effective cushioning products that deliver targeted comfort and support.

Woodbridge supplies **ComforTech<sup>™</sup>** products through a global infrastructure, to provide economies of scale, and a consistency of capabilities around the world that include; product design chemical optimization, tooling, manufacturing and laboratory testing. Woodbridge design and engineering services can also integrate many value added seating opportunities.

Combining chemical expertise with a unique set of technologies and process capabilities, **ComforTech<sup>™</sup>** seat cushions help customers achieve the ideal balance between comfort, weight, durability and cost.

**ComforTech<sup>™</sup>** is another  
 GreenLite Innovation

**GreenLite<sup>™</sup>**

Low Mass Environmental Automotive Technologies

GreenLite Innovations by The Woodbridge Group include a growing menu of high performance, low mass automotive foam solutions, to help improve fuel efficiency and reduce CO<sub>2</sub> emissions.

**More, Better, Faster<sup>™</sup>**
